

BEFORE THE DIVISION OF WATER RESOURCES
DEPARTMENT OF PUBLIC WORKS
STATE OF CALIFORNIA

oOo

In the Matter of Application 9252 of William J. Gwerder to
Appropriate Water from Steamboat Slough, Tributary to
Sacramento River in Sacramento County
for Irrigation Purposes.

oOo

DECISION A 9252 D-426

Decided *August 27, 1938*

oOo

Appearances at Hearing Held in Sacramento July 22, 1938.

For Applicant

William J. Gwerder

No appearance

For Protestant

California Water Service Company

No appearance

EXAMINER: Everett N. Bryan, Supervising Hydraulic Engineer for Harold Conkling,
Deputy in Charge of Water Rights, Division of Water Resources, Depart-
ment of Public Works, State of California.

ORDER

Application 9252 of William J. Gwerder having been protested by
California Water Service Company upon grounds similar to those stated in the
protest of said company against Application 8884 of the City of Redding, a
hearing having been scheduled upon the protest against Application 9252, the
protestant having waived appearance and having rested its case upon the showing
made in connection with its protest against said Application 8884, The Division
of Water Resources after due consideration having denied the aforesaid protest
of California Water Service Company against said Application 8884, the California
Water Service Company having taken an appeal to the Board of Review under the
provisions of Section 3630 of the Political Code from the action of the Division

of Water Resources in rejecting its protest against said Application 8884 and approving said application and the said Board of Review having affirmed the action of the Division of Water Resources in rejecting said protest of said California Water Service Company and approving said application:

NOW THEREFORE IT IS HEREBY ORDERED that Application 9252 be approved subject to such of the usual terms and conditions as may be appropriate.

WITNESS my hand and the seal of the Department of Public Works of the State of California this 27 day of Aug. , 1938.

EDWARD HYATT, STATE ENGINEER

By HAROLD CONKLING
Deputy
