

BDCP creates new draft plan FAQ page

A new tool is available to help find key information on the The Bay Delta Conservation Plan. A list of frequently asked questions has been added to the plan's website in an effort to increase understanding about the issues and potential elements of a draft plan. You can find the questions [here](#). Also, the BDCP Steering Committee will meet on Thursday, Nov. 4, in Sacramento. You can join the committee's mailing list and get more information [here](#).

Delta Stewardship Council to receive plan update

The Delta Stewardship Council is meeting today and tomorrow, Oct. 28 and 29, in West Sacramento. Among the items on the agenda will be an update on the Bay Delta Conservation Plan. It will include a report from BDCP consultant, ARCADIS. [Materials for the meetings can be found here](#).

Committee to review proposals for interim Delta plan

A committee of the Delta Stewardship Council will review and consider proposed early actions for possible inclusion in the Interim Plan for the Delta. The meeting is open to the public and will be held Thursday and Friday, Nov. 4 and 5 at a site to be determined. [More information](#).

Water Supply Project report now available

A progress report on the city of Stockton Delta Water Supply Project is now available. The project includes an intake and pump station that will take water from the San Joaquin River to supply Stockton homes and businesses. It's expected to be completed by spring 2012. [Go here to read the October update](#).

Primary Zone Study discussion at tonight's DPC meeting

The Delta Protection Commission will discuss the preparation of Primary Zone Study Recommendations at tonight's 5:30 meeting in Isleton. The commission will also be talking about appointment of committee members to the Delta Protection Advisory Committee. [You'll find the meeting agenda here](#).

DPC plans two series of meetings beginning next week

The Delta Protection Commission will hold seven public meetings early next month; four about its Economic Sustainability Plan, and three about its Delta Primary Zone Study. The forums about the economic plan will be held Monday, Nov. 8, in Oakley; Wednesday, Nov. 10 in North Stockton; Monday, Nov. 15 in Walnut Grove; and Tuesday, Nov. 16 in Clarksburg. [You can find details here](#). The workshops about the Primary Zone study will be held Wednesday, Nov. 3, in Brentwood; Thursday, Nov. 4, in Thornton; and Tuesday, Nov. 9, in Rio Vista. [You can find details here](#).

Dutra Tower set for big move across the river next Tuesday

The Rio Vista Tower, now known as the Dutra Tower, will be making its journey across the Sacramento River next Tuesday, Nov. 2, aboard the largest crane barge working on the San Francisco Bay Bridge project. The refurbished old water tower will eventually stand as a 10-story-tall sentry and landmark of the new Delta Discovery Center. [You can find more information about the tower here](#).
