Source	Topic	Project Title	Lead Agencies	Project Type	Timeframe (2010)	Cost Estimate	2010 Project Status
Clear Lake Integrated Watershed Management Plan	Water Resources	Middle Creek Flood Damage Reduction and Ecosystem Restoration Project (Middle Creek Project)	USACE, LCWRD and Robinson Rancheria Band of Pomo Indians		0-10 years	\$ 48,000,000	
Clear Lake Integrated Watershed Management Plan	Water Resources	Site Remediation at the Sulphur Bank Mercury Mine	USEPA, Elem Pomo Tribe, Clean Lake Environmental Action Network (CLEAN), LCEHD, and LCWRD		0-10 years	TBD	
Clear Lake Integrated Watershed Management Plan	Water Resources	Create a Water Resources Metadata Library for Lake County	Local CRMPs, ELRCD, WLRCO, LCWRD, LCEHD, LCVCD, SVWQC, Tribes, Regional Board, DWR, and CDFA		0-3 years	\$ 20,000	
Clear Lake Integrated Watershed Management Plan	Water Resources	Coordinate Current Watershed Monitoring Programs	Local CRMPs, ELRCD, WLRCO, LCWRD, LCEHD, LCVCD, SVWQC, Tribes, Regional Board, DWR, and CDFA		On-going	N/A	
Clear Lake Integrated Watershed Management Plan	Water Resources	Review and Improve Clear Lake Watershed Monitoring to Meet TMDL Objectives	LCWRD, UC Davis, DWR, and TMDL Stakeholders		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Water Resources	Expand Volunteer Monitoring Programs	Local CRMPs, ELRCD, WLRCO, Tribes, and LCWRD		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Water Resources	Increase Clear Lake Watershed Education and Outreach	Local CRMPs, NGOs, local schools, ELRCD, WLRCO, City of Lakeport, Cities of Clearlake, LCWRD, LCOE, LCCDD, HERC, Tribes, DFG, UCCE, State Parks, BLM, and USFS		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Water Resources	Algal Bloom Mitigation Education	LCWRD, City of Clearlake, City of Lakeport, CLAS, Algae Volunteer Network, Clear Lake resort owners and operators, Greater Lakeport Chamber of Commerce, Clearlake Chamber of Commerce, marina and other shoreline business owners, and shoreline residents.		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Water Resources	Create a Watershed Discovery Center	Local CRMPs, local NGOs, local businesses, local schools, ELRCD, WLRCO, LCWRD, CLAS, LCOE, Tribes, DFG, UCCE, State Parks, BLM, USFS		0-10 years	TBD	
Clear Lake Integrated Watershed Management Plan	Water Resources	Develop a Watershed Outreach Program for Off-highway Vehicle (OHV) Users	ELRCD, WLRCO, LCWRD, local schools, LCOE, BLM, and USFS		0-5 years	N/A	
Clear Lake Integrated Watershed Management Plan	Water Resources	Develop and Implement an Interagency Communication and Coordination Strategy	Water and related agencies		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Water Resources	Improve Communication among water Purveyors	Water purveyors		On-going	N/A	
Clear Lake Integrated Watershed Management Plan	Water Resources	Increase Reuse of Treated Wastewater	LACOSAN, LCCDD, Clearlake Oaks County Water District, Kelseyville County Water Works District No. 3, City of Lakeport, and potential water consumers		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Water Resources	Water Conservation in New Developments	LCCDD, Cities of Lakeport and Clearlake, LCRDA, water purveyors and purchasers		On-going	N/A	
Clear Lake Integrated Watershed Management Plan	Water Resources	Water Conservation Improvements During Remodeling	LCCDD and Code Enforcement Division of LCCDD		On-going	N/A	
Clear Lake Integrated Watershed Management Plan	Water Resources	Increase Water Conservation Education	LCSDD, LCCDD, UCCE, Lake County Winegrape Commission, NRCS, LCOE, and local schools		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Water Resources	Complete the Adobe Creek Conjunctive Use Project	LCWRD and NRCS		0-10 years	\$ 1,000,000	
Clear Lake Integrated Watershed Management Plan	Water Resources	Update Cost-Benefit Analysis of the Lakeport Dam	LCWRD and NRCS		2020	\$ 20,000	
Clear Lake Integrated Watershed Management Plan	Land Use	Review and Revise County Wetland Policies and Ordinances	LCCDD and LCWRD		0-3 years	\$ 5,000	
Clear Lake Integrated Watershed Management Plan	Land Use	Encourage Wetland Mitigation Bank Development	LCWRD, USACE, and private firms		0-5 years	N/A	
Clear Lake Integrated Watershed Management Plan	Land Use	Restore Stream Channel Hydrology and Riparian and Aquatic Habitats	ELRCD, WLRCO, LCWRD, Tribes, CVRWQCB, DWR, USACE, BLM, and USFS		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Land Use	Complete Eight Mile Valley Restoration Project	BLM, WLRCO, and LCWRD		0-2 years	\$ 800,000	
Clear Lake Integrated Watershed Management Plan	Land Use	Fully Implement the Lake County Clean Water Program	LCCDD, LCWRD, City of Clearlake, and City of Lakeport		On-going	80,000/yr	
Clear Lake Integrated Watershed Management Plan	Land Use	Complete the Full Circle Wastewater Reuse System	LACOSAN, Kelseyville County Water Works District No. 3, City of Lakeport, and Geysers geothermal energy companies		0-5 years	\$ 35,000,000	
Clear Lake Integrated Watershed Management Plan	Land Use	Expand Wastewater Treatment System Capital Improvement Programs	LACOSAN, City of Clearlake, City of Lakeport, Clear Lake Oaks County Water District, Konocti Harbor Resort, and LaBrea Park		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Land Use	Improve Wastewater Treatment Options for Un-Sewered Areas	LCEHD, LCSDD, and local communities		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Land Use	Expand Programs to Prevent Illegal Waste Disposal	LCPD, LCCED, LCEHD, City of Clearlake, City of Lakeport, LCPWD, Sheriff's Office, LCAQMD, DFG, CVRWQCB, and California Integrated Waste Management Board		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Land Use	Prevent and Clean Up After Illegal Marijuana Growing	LCSD, MNF, BLM, UCCE, Tribes, DFG, RCDs, CRMP groups, and environmental organizations		On-going	TBD	

Handout 3 - List of Projects from Existing Regional Plans

Source	Topic	Project Title	Lead Agencies	Project Type	Timeframe (2010)	Cost Estimate	2010 Project Status
Clear Lake Integrated Watershed Management Plan	Land Use	Survey and Improve Road and Trail Conditions	LCDPW, LCCDD, CAL FIRE, USFS, BLM, Caltrans, NRCS, UCCE, and private landowners.		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Land Use	Implement the Lake County Community Wildfire Protection Plan	Fire Safe Coordinator, Building Department of LCCDD, Lake County Fire Safe Council, CAL FIRE, BLM, USFS, local Fire Protection Districts, South Lake Fire Safe Council, homeowners associations, ELRCD, WLRCD		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Wildlife and Habitat	Research and Develop a Management Plan for Native Clear Lake Fish	DFG, LCWRD, Clear Lake Advisory Subcommittee, Tribes, research scientists		0-5 years	\$ 100,000	
Clear Lake Integrated Watershed Management Plan	Wildlife and Habitat	Protect Critical Lake Habitat	LCLT, LCCDD, LCWRD, CLAS, Tribes, DFG, and USACE		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Wildlife and Habitat	Protect and Expand Small-Scale Habitat Areas on Clear Lake Shoreline	LCCDD, LCWRD, CLAS, DFG, volunteers, and educators		On-going	N/A	
Clear Lake Integrated Watershed Management Plan	Wildlife and Habitat	Pursue the Clear Lake Wildlife Area Conceptual Area Protection Plan	DFG, WCB, LCWRD, LCLT, and USACE		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Wildlife and Habitat	Improve Fish Passage in Clear Lake Tributaries	WLRCD, LCWRD, Tribes, LCWRD, DFG, USACE		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Wildlife and Habitat	Construct a Fish Ladder at the Main Street Bridge on Kelsey Creek	LCWRD, Tribes, DFG, USACE, ELRCD, and WLRCD		0-10 years	\$ 600,000	
Clear Lake Integrated Watershed Management Plan	Wildlife and Habitat	Develop a Tree Management Plan	LCCDD, UCCE, RCDs, NRCS, CRMPs, and DFG		0-10 years	\$ 10,000	
Clear Lake Integrated Watershed Management Plan	Recreation/Aesthetics	Improve Lake Access and Public Amenities	CLAS, LCPSPD, LCWRD, and LCRDA		0-10 years	TBD	
Clear Lake Integrated Watershed Management Plan	Recreation/Aesthetics	Improve Public Access at Blue Lakes	Lake County or other public entity		5-20 years	TBD	
Clear Lake Integrated Watershed Management Plan	Recreation/Aesthetics	Create and Implement an Integrated Countywide Multiple Use Trails Plan	LCPSPD, Local volunteers, LCMEDD, LCRDA, LCPWD, LCCDD, USFS, and BLM		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Recreation/Aesthetics	Improve and Increase Non-Motorized Trail Systems	LCPSPD, Local volunteers, LCMEDD, LCDPW, California State Parks Department, USFS, BLM and BMSDF		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Recreation/Aesthetics	Support Creation of Equestrian Centers and Horseback Riding Trails	LCPSPD, Local volunteers, LCMEDD, LCDPW, LCWPD, BMSDF, BLM, USFS, and horse rental businesses				
Clear Lake Integrated Watershed Management Plan	Recreation/Aesthetics	Create a Lake County Recreation Program	LCPSPD, Local volunteers, youth sports organizations, and State Parks		5-20 years (on-going)	TBD	
Clear Lake Integrated Watershed Management Plan	Recreation/Aesthetics	Protect Open Space	LCCDD, LCPSPD, LCWRD and local NGOs		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Recreation/Aesthetics	Support and Expand Ecotourism Opportunities	LCPSPD, LCMEDD, local CRMPs, local environmental organizations, ELRCD, WLRCD, LCWRD, LCOE, Tribes, local businesses, DFG UCCE, State Parks, BLM, and USFS		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Invasive Species	Develop Boat Cleaning Stations around Clear Lake	LCISC, LCLM, LCCDD, LCPSPD, CLAS, LCRDA, car wash or auto-related businesses, and commercial marinas		0-5 years	TBD	
Clear Lake Integrated Watershed Management Plan	Invasive Species	Adaptively Manage Invasive Mussel Prevention	LCISC, LCWRD, DFG, UCCE, DWR, CDBW, CDFA, CLAS, Tribes, Cities of Lakeport and Clearlake, and State Department of Parks and Recreation		On-going	\$ 120,000	
Clear Lake Integrated Watershed Management Plan	Invasive Species	Eradicate Hydrilla from Clear Lake	CDFA, LCLM, and CLAS		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Invasive Species	Develop an Aquatic Invasive Species Management Plan	LCISC, LCLM, CLAS, DFG, and CDFA		0-3 years	\$ 30,000	
Clear Lake Integrated Watershed Management Plan	Invasive Species	Complete, Adopt, and Implement a Countywide Weed Management Plan	LCAD, LCWPD, ELRCD, and WLRCD		0-2 years	N/A	
Clear Lake Integrated Watershed Management Plan	Floodplain Management	Pursue the Cache Creek Flow Enhancement Project	LCWPD, YCFWCWD, County of Lake, City of Lakeport, City of Clearlake, and County of Yolo		0-10 years	TBD	
Clear Lake Integrated Watershed Management Plan	Floodplain Management	Promote Compatible Use of Floodplains	LCCDD and LCWPD		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Floodplain Management	Reduce Flood Damage in Developed Areas	LCCDD and LCWPD		On-going	TBD	
Clear Lake Integrated Watershed Management Plan	Lake Management	Update the Shoreline Ordinance (Chapter 23 Lake County Code)	LCLM, CLAS, LCCDD, and State Lands Commission		0-2 years	N/A	
Clear Lake Integrated Watershed Management Plan	Lake Management	Fully Implement the Integrated Aquatic Plant Management Plan	LCLM, CDFA, DFG, LCISC, and CLAS		On-going	\$ 500,000	
Clear Lake Integrated Watershed Management Plan	Climate Change	Minimize Greenhouse Gas Emissions	Federal and state agencies, Tribes, county departments, City of Lakeport, City of Clearlake, and local NGOs		On-going	TBD	
Solano Agencies IRWMP and Strategic Plan		Continue Ongoing Water Resource Efforts (Screened-in Actions)					
Solano Agencies IRWMP and Strategic Plan		Administer Solano Project Contract and Defend Water Rights					
Solano Agencies IRWMP and Strategic Plan		Administer State Water Project Contract					
Solano Agencies IRWMP and Strategic Plan		Work with SWP, State Water Contractors, and CALFED to Explore Water Supply and Storage Opportunities Outside of the Region					
Solano Agencies IRWMP and Strategic Plan		Improve Water Treatment Technology for Water Supplies - NBA Water					

Handout 3 - List of Projects from Existing Regional Plans

Source	Topic	Project Title	Lead Agencies	Project Type	Timeframe (2010)	Cost Estimate	2010 Project Status
Solano Agencies IRWMP and Strategic Plan		Increase NBA Capacity and Utilization					
Solano Agencies IRWMP and Strategic Plan		Quantify Countywide Demand and Supply					
Solano Agencies IRWMP and Strategic Plan		Transfer Water Within the County					
Solano Agencies IRWMP and Strategic Plan		Optimize Delivery of Water to End Users Based on Quantity and Quality					
Solano Agencies IRWMP and Strategic Plan		Purchase Contingency Supplies at the Wholesale Level					
Solano Agencies IRWMP and Strategic Plan		Improve Conveyance at Putah Diversion Dam					
Solano Agencies IRWMP and Strategic Plan		Increase Opportunities for Conjunctive Use					
Solano Agencies IRWMP and Strategic Plan		Increase Use of Groundwater					
Solano Agencies IRWMP and Strategic Plan		Increase Participation in the Mojave Exchange Agreement					
Solano Agencies IRWMP and Strategic Plan		Develop Final SCWA Flood Control Funding/Construction/Maintenance					
Solano Agencies IRWMP and Strategic Plan		Policy from Existing "Interim Principles"					
Solano Agencies IRWMP and Strategic Plan		Implement Water Use Efficiency Efforts					
Solano Agencies IRWMP and Strategic Plan		Clarify Regulations in Developing Areas to Minimize Runoff					
Solano Agencies IRWMP and Strategic Plan		Cooperatively Monitor Agricultural Runoff Quality					
Solano Agencies IRWMP and Strategic Plan		Construct an Alternate NBA Intake					
Solano Agencies IRWMP and Strategic Plan		Continue State Lobbying Effort					
Solano Agencies IRWMP and Strategic Plan		Administer Solano Project Rehabilitation and Betterment Program					
Solano Agencies IRWMP and Strategic Plan		Promote Land Use Practices that could Improve or Protect Water Quality					
Solano Agencies IRWMP and Strategic Plan		Model Water Quality Effects on NBA Intake from a Levee Failure and Other Delta Water Quality Impacts					
Solano Agencies IRWMP and Strategic Plan		Improve Putah South Canal Conveyance Efficiency					
Solano Agencies IRWMP and Strategic Plan		Identify Funding from Federal and State Sources					
Solano Agencies IRWMP and Strategic Plan		Implement Solano Project Watershed Water Quality Protection Activities					
Solano Agencies IRWMP and Strategic Plan		Manage Land Use Practices in Barker Slough Watershed that could Affect Water Quality					
Solano Agencies IRWMP and Strategic Plan		Protect Water Quality in the Putah South Canal					
Solano Agencies IRWMP and Strategic Plan		Complete and Implement an HCP					
Solano Agencies IRWMP and Strategic Plan		Construct Infrastructure and Treatment for NBA Water in Rio Vista, Dixon, and Suisun City					
Solano Agencies IRWMP and Strategic Plan		Expand Opportunities for Recycled Water					
Solano Agencies IRWMP and Strategic Plan		Update SCWA Flood Control Master Plan					
Solano Agencies IRWMP and Strategic Plan		Investigate Use of Non-potable Water for Non-potable Uses					
Solano Agencies IRWMP and Strategic Plan		Assume a More Proactive/Aggressive Role in Control of Invasive Species					
Solano Agencies IRWMP and Strategic Plan		Develop and Implement a Federal Lobbying and Funding Strategy					
Solano Agencies IRWMP and Strategic Plan		Study Feasibility of In-county Surface Water Storage Options					
Solano Agencies IRWMP and Strategic Plan		Improve Security and Safety of Putah South Canal Near Development					
Solano Agencies IRWMP and Strategic Plan		Increase Flood Management Coordination between Agencies					
Solano Agencies IRWMP and Strategic Plan		Assess Risk and Uncertainties Associated with Potential Effects of Climate Change					
Solano Agencies IRWMP and Strategic Plan		Reduce Water Quality Problems from Newly Emerging Contaminants					
Solano Agencies IRWMP and Strategic Plan		Manage Perched Groundwater to Reduce the Effects to Urban and Agricultural Areas					
Solano Agencies IRWMP and Strategic Plan		Study Feasibility of Treating Poor Quality Groundwater, Including Abandoned City Wells, as a New Water Supply					
Solano Agencies IRWMP and Strategic Plan		Reduce Drought Effects to Groundwater Pumpers					
Solano Agencies IRWMP and Strategic Plan		Implement Watershed Planning Studies					
Solano Agencies IRWMP and Strategic Plan		Update Flood Hazard Maps					
Solano Agencies IRWMP and Strategic Plan		Assume a Proactive Role in Stewardship of Water-related Environmental Resources					
Solano Agencies IRWMP and Strategic Plan		Maintain Quality of Suisun Marsh					
Solano Agencies IRWMP and Strategic Plan		Perform Risk Assessment of Flood Management Facilities
