**NOTES:**

- The above well symbols represent a general set of symbols used by DOGGR. Not every symbol will appear on a given map.
- Wells with directional surveys on file with the Division are indicated with a short line under the well symbol.
- Current well status should be confirmed as the appropriate Division office.
- For a complete index of Division maps, see publication PR15.

The Department of Conservation makes no warranties as to the suitability of this product for any particular purpose.
